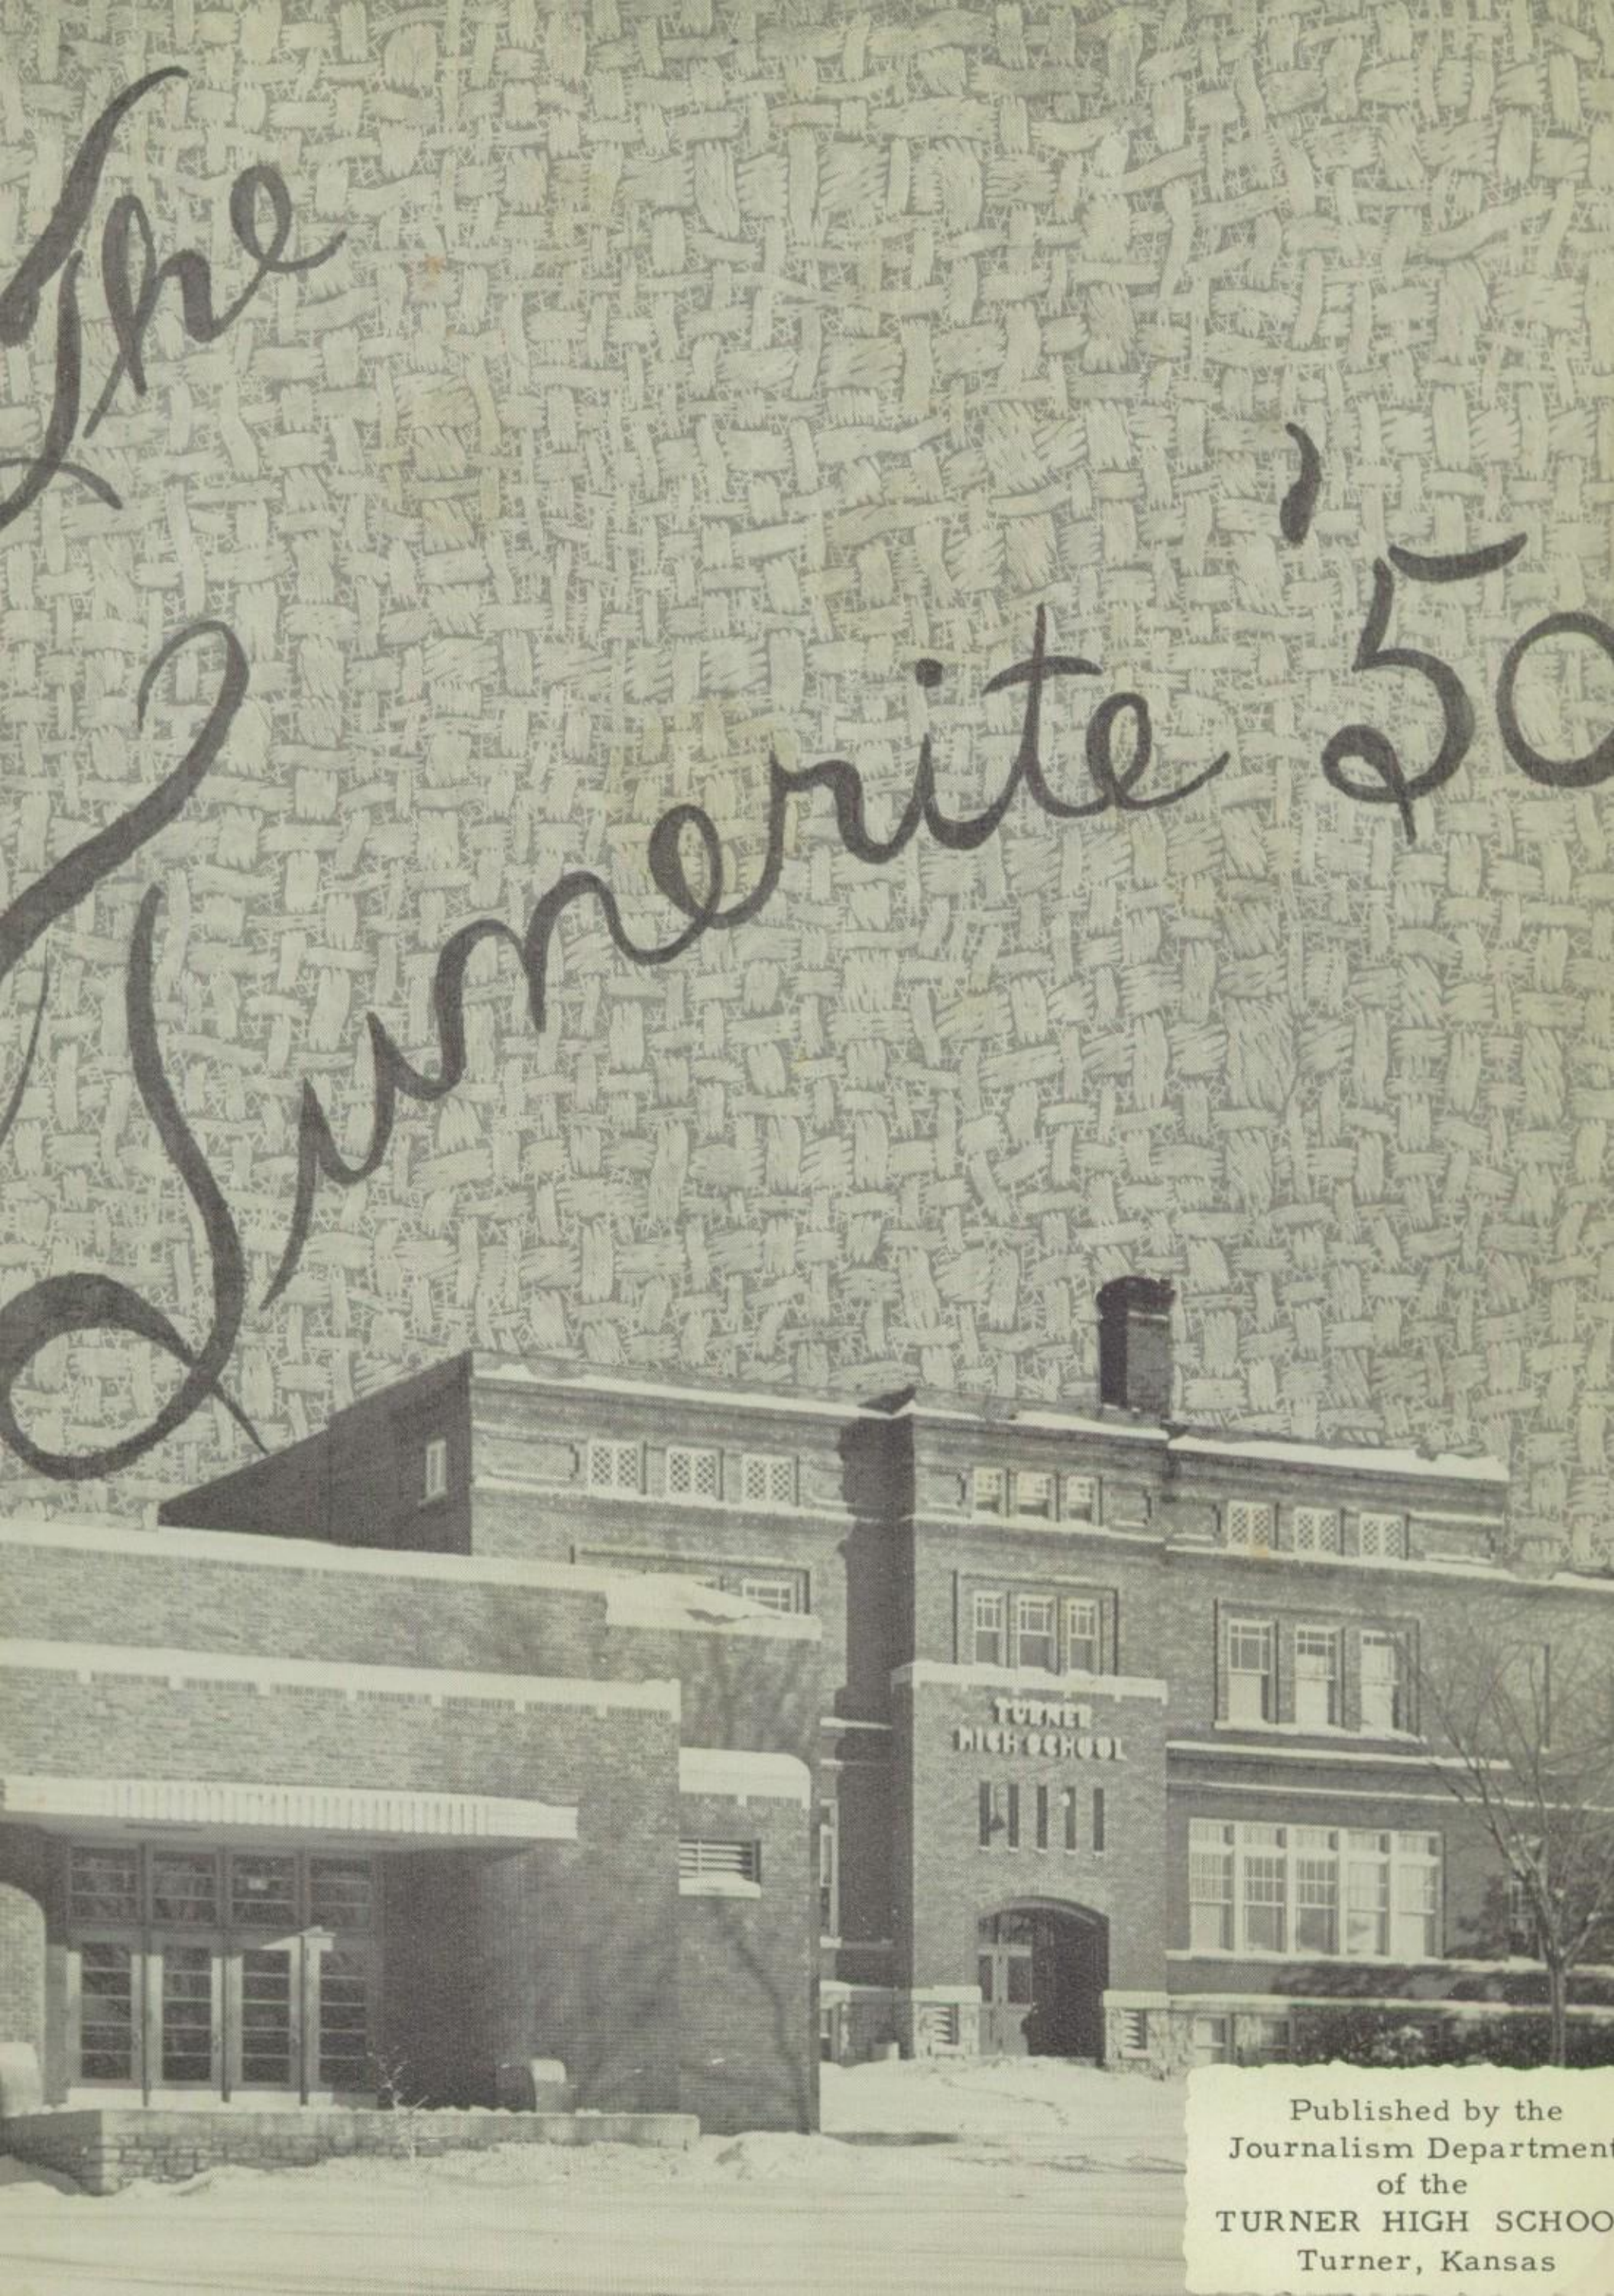
The Turnerite '50



Published by the
Journalism Department
of the
TURNER HIGH SCHOOL
Turner, Kansas

Dedication

In recognition of one who has modestly given her time and energy for the benefit of all of us, whose patient helpfulness and sympathetic understanding have ever been a source of inspiration, to whom anything we could possibly say would never do justice to the way we feel, we dedicate this 1950 Turnerite to Nancy D. Marshall as an expression of our genuine respect and love.

Administration

We are proud to introduce to you our principal, Mr. T. R. Palmquist. Graduating from Ottawa University with an A.B. degree, he began teaching at Wellsville, Kansas as a science instructor and as debate coach. His graduate work was taken at the University of Kansas. The next two years of his teaching career were spent as principal at Bluff City, Kansas and then he went back to Wellsville as superintendent for nine years. He came to Turner High School in the fall of 1938. Mr. Palmquist has been a helping guide to us in the past four years. Although at times it was necessary for him to correct us we will appreciate it in later years. This man who is always flashing his camera and ready for some fun will be remembered by all of us.

Music

TURNER HIGH SCHOOL CHOIR

The band plays an active part in the various activities of the school. Under the direction of Mr. Erdman Johnson, the band appears at football and basketball games, and takes part in a number of other functions, such as special programs and parades, throughout the year.

Mr. Wilbur West, assistant bandmaster, taught prospective band members in the grade schools in the surrounding territory, and the "B" band was under his direction, also.

The Oratorio Society is organized annually during the Christmas season for the sole purpose of presenting Handel's "Messiah".

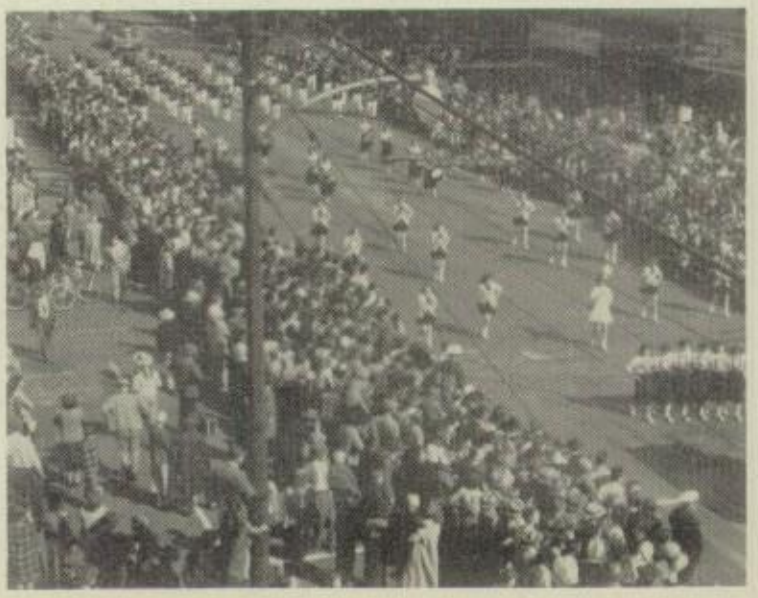
The Choir made a number of appearances this year. This group, composed of selected members from the glee clubs appeared in the annual Christmas Vespers, and were entered in the contest at Lawrence.

The Ensemble of mixed voices, for whom new blue and gold robes were purchased this year, is the most active of the vocal music organizations. This group, composed of especially talented students, appeared at such functions as the Vespers. This group appeared principally at functions outside school.

The drum corps and majorettes figured actively with the band. These organizations appeared at football games and at parades.

The swing band, also under the direction of Mr. Johnson, played at basketball games. This orgainization also made a few outside appearances.

One of the busiest members of the faculty is Mr. Erdman Johnson. His many duties include the supervision of the swing band, and the glee clubs, and the preparation of the many functions in which these organizations appear, such as the annual "Say It With Music" program, the presentation to "The Messiah", and the various other music programs.



Letterbearers lead Turner majorettes, drum corps, and band in American Royal Parade.

Congratulations from KANSAS CITY

Youth On the Beam is a club organized to promote Christian fellowship among high school students, spiritual growth through Bible study and higher Christian living as a means of fighting juvenile delinquency.

The officers, consisting of president, vice-president, secretary-treasurer, and reporter-representative, are elected at the close of each school year to serve the ensuing year.

City Council meets the last Thursday of every month, at which meeting our reporter-representative is to be present, along with any other officers or interested members. The purpose of City Council is to promote and standardize individual clubs to encourage inter-club activity and to edit the Y. O. B. club paper, "Beam Chatter", and the Y. O. B. annual, "Beam."

There are no strict membership rules or regulations; each and every meeting is open to students of all faiths.

Each Y. O. B. Club has a teacher-sponsor, who meets with the club each meeting.

Each Thursday evening during the school year, representatives of each Y. O. B. club meet at a different church for a quiz over a certain book of the Bible. Just recently, a new phase of Y. O. B. activity has been added, consisting of a speech contest, in which a girl and boy from each club participate.

At the close of each school year there is a formal banquet which all Y. O. B.er's may attend, although it is held in honor of the graduating seniors of Y. O. B.
